**MICHAEL McKENNA**  
**D.O.B.** 1963

**EDUCATION:** Delaware County Community College; Cabrini College

**OCCUPATION:** Construction Sales Specialist, Lowes Home Improvement

**QUALIFICATIONS:** Hellertown Borough 10 years; Hellertown Borough Authority 8 years; Dewey Fire Company, firefighter 10 years, Vice President 2 years.

**RESPONSE:** Meeting expectations with limited land use options. Hellertown is not static, the challenges we face require adapting or reconfiguring our available land to fit the mandated requirements and vision for the future. Hellertown is vibrant. We have a history of community involvement and listening to one another as we develop solutions. My goal is to continue to encourage our citizens to speak up and to listen to each other, so that we can plan for Hellertown's future.

**PHILIP J. WEBER**  
**D.O.B.** 1957

**EDUCATION:** Saucon Valley School, 1980 grad; Bethlehem Vo-Tech, Masonry 1980.

**OCCUPATION:** Product Manager, Bethlehem Precast; Various Cont. Ed Precast Industry

**QUALIFICATIONS:** Hellertown Borough Council, 15 yrs; Planning Commission, 20 yrs., currently Chair; Various coaching, 15 yrs, local sports; Rails to Trails Committee; Active in Dewey Fire Company

**RESPONSE:** The biggest issue that I think we face is controlling taxes. This is something that will not be easy to do. Hellertown residents are already taxed at a high millage rate. Controlling this has never been easy for council and it will not be easy going forward. To address this issue all members of Borough Council must work together closely to tackle this issue.

**BILL BROUN**  
**D.O.B.** 1966

**EDUCATION:** BA Miami University (Ohio), 1989; MA Miami University (Ohio), 1992; M.F.A. University of Houston, 1998.

**OCCUPATION:** College professor and author

**QUALIFICATIONS:** Longtime reporter and editor for news publications in Ohio, Texas, Pennsylvania and United Kingdom 15+years; Gained comprehensive understanding of municipal, county and state governance. Editor-in-chief of four community newspaper (3 years), Communication expertise in verbal, written, and multiple forms as professor at ESU (14 years).

**RESPONSE:** Hellertown is a beautiful little community with political leadership that has let its citizens down badly. Cronyism, petty corruption, and a singular lack of imagination have benighted a bright future. We have the highest borough taxes in the

County, but we can't cross Main Street without risking death. Through smart planning, aggressive ethics reform, and a sacred vow to listen to ordinary residents, we will transform Hellertown into an even more attractive and livable haven.
